Hello Kaytrue –

Before I head out for the weekend, I wanted to (try to) clarify in my jumbly mind what's going on with the Louisville redesignation and DAAD. The regular monthly check-in with R4 APMs is next Thu 3/28, so I'm looping in Dylan and our ozone team for awareness. Thanks for your feedback on this timeline and observations.

Hey Kaytrue,

Thought it would be most efficient to email you directly on timing for review. With the upcoming long weekend and other deadlines, I'm not sure I'll finish review by noon 5/28 (day after Memorial Day). But given that this is more of an interim rather than firm deadline (sounds like that's 6/7) and the draft proposal is only 43 pages, I think I could live with it. But wanted to see if you had thoughts on the requested review timeline.

I certainly do not think anyone but me and Libby need to be involved in this first round review of the NPRM, or the workgroup discussion. Libby and I will plan to tag you for specific sections and give you context in later rounds of review.

Does that sound amenable to all?

Hi all. Sup with coverage on this? I did not know I was a RRR Workgroup Member (and didn't even know what RRR was). I continue to be slammed with oil & gas since we got yet another stay motion, so not sure how much help I can be on reviewing between now and May 28.

Hello Ozone RRR Workgroup Members –

Ex. 5 AC/DP

I've scheduled a workgroup call on Wednesday, May 29, at 9:30am EST. Our goal for this meeting is to resolve significant comments/edits. In order to have a productive discussion, we're kindly requesting that you **complete your initial review of the notice by 12:00pm EST on Tuesday, May 28**. After this meeting, the workgroup will have an additional week or so to offer feedback on the notice. We're requesting that workgroup members put "pencils down" on all final edits by COB Friday, June 7. Attached is a draft timeline for your general awareness. (Note: This timeline is still pending management approval and is subject to change.)

Please let me know if you have any questions or trouble accessing the attached files.

Thanks so much!

Good Afternoon Abi and Emily,

I'm reaching out to you in response to a request from OAQPS for the regions and OAR+OGC to convene a group to update in the SIP EJ Template in response to the attached EOs.

For continuity, OAQPS and R5 suggested initially keeping the same participants that developed the current SIP EJ template (including you both) plus representatives from Lead Region. I will schedule an initial discussion in the coming weeks to iron out, what we are tasked to do, how we will do it, with who and when. After our initial discussion, we can certainly make any necessary adjustments to the participants.

Recommended participants list so far:
1. Linda Longo and Nicholas Ferreira (R2)
2. Sarah LaRocca (R4)
3. Michael O'Shea (R3 – SIP Sublead currently)
4. Neil Bigioni (R3 – main author on current SIP EJ Template)
5. Chris Panos (R5 – SIP Processing Workgroup Coordinator)
6. Vera Kornylak (OAQPS)
7. Erin Lowder (OAQPS)
8. Emily Seidman (OGC)
9. Abi Vijayan (OGC)

Let me know what you think.

Thanks,

Kim

Jodi,

I know last week there was interest in the petition to regulate ONG wells and associated equipment as major sources. Attached is the petition. Also I found another one petitioning us to monitor ozone and revise the CTGs (We did propose new CTGs, but can't remember if we finalized them – Charlene would know if we did finalize them).

Hi, Kim –
Per your email, I am forwarding slides for the Exceptional Events, Transport and Regional Haze sessions at next week's APM meeting. I'll be co-facilitating the transport discussion with Eric Wortman. Regions 4 and 8 will lead the Regional Haze discussion; Emily Seidman and I will contribute. I'll cover the exceptional events topics, but I have not heard from any of the Regional offices on the wildland fire portion of this session, so we may not cover fire-related topics. I also made a few edits to the agenda in file you previously shared. Let me know if you have questions. See you next week.
