Hello Mika and SEC team,

No worries – we were actually going to reach out and see if the following meeting would work better for him. Right now the next National Climate Task Force meeting it is planned for April 6th, but it might get pushed to April 13th. We’ll follow-up closer to the time and see if it can work for him. Just to be clear, these are internal USG Cabinet-level meetings. Again, we’ll follow-up later this month.

Thank you!

All,

I'm working with Ali on the NCTF principals agenda, and he would like to invite Chair Gensler to next Wednesday's meeting to discuss SEC's upcoming climate-related financial risk work. We just got (b)(5) stamp of approval to proceed, so do any of you have good SEC contacts we can work through on scheduling?
