**Re: Public Records Request - PRR # 21-8746**

Dear Mr. Christopher C. Horner:

We have reviewed your California Public Records Act (CPRA) request, herein enclosed. UCLA departments completed the search for the responsive records and, pursuant to Cal. Gov. Code §6253(b), will produce the final batch of documents, subject to the segregation of exempt material within the documents.

This segregation of exempt material is based upon Cal. Gov. Code § 6254(c), on the grounds that release of such material would constitute an unwarranted invasion of personal privacy. In addition, preliminary drafts, notes, and memos that are not retained by the public agency in the ordinary course of business are exempt, pursuant to Cal. Gov. Code § 6254(a). Finally, certain documents have been withheld as not public records because they concern Professor Carlson's involvement with an unaffiliated entity and thus do not relate to the conduct of the public's business.

Although the CPRA authorizes UCLA to charge for reproduction costs and/or programming services,<sup>[1]</sup> as a courtesy these fees have been waived. Any subsequent requests may be subject to copying and/or programming fees.

This completes the response to your request. Should you have any questions, please contact me at (310) 794-8741 or via email at [records@ucla.edu](mailto:records@ucla.edu) and reference the PRR number found above in the subject line.

Sincerely,

A handwritten signature in black ink that reads "Robert Baldrige".
