Dear Rory,

Please see attached and in the SharePoint link below the revised MCO tax loophole paper. As requested, we have given more information on the background, more information why this addresses the criticisms in MFAR, and revised the recommendations. Of interest, it does not appear as though the percentage of taxes that do not exploit the statistical loophole and pass the B1/B2 but do not pass the M1/M2 is very high according to the calculations that we have been able to do. Only Washington IP, Pennsylvania NF, and California NF appear to fit into this category of those we have measured so far. Our assumption had been that it would be more disruptive to existing taxes. I think this is still a work in progress. However, if it's not terribly disruptive, perhaps we may want to revisit replacing the B1/B2 with the M1/M2 entirely. This would certainly have the advantage of being simpler and more straight forward. Changes are highlighted in yellow.

Best,

Jonathan

Dear all,

I have started to work on revising the statistical loophole paper in line with Rory's comments from the meeting on 9/13/2022. I have added more background that discusses the problem in general. I have also added an discussion of how we tried to close down this loophole as part of MFAR. I have deleted the options of requiring states to pass both the M1/M2 and the B1/B2 as well as the option to leave the B1/B2 as it is. I have added several sentences pointing out why this approach addresses some of the criticisms that we received from commenters in MFAR of being too subjective. I have added another option of requiring the Medicaid activity test with the proxy commonality and giving them the option to pass the M1/M2 instead. I have revised the recommendation.

Thanks for getting back to me so quickly!

Top-line, hospitals are saying that:

- The Informational Bulletin echoes themes from MFAR
- These are private agreements between providers
- Any changes to financing should be done through rulemaking and not in an Informational Bulletin

Sharing some of the materials that have been sent our way so you can get a sense of what we are hearing. If there is any way y'all could hop on a quick call this week, that would be really helpful!

Thank you,

We just did a check-in with Rick Van Buren, and he recommended we ask for a quick call with y'all on this issue.

He said that we should take the following document as a model. Please see attached. The section entitled "Next steps for Missouri and Texas Compliance Enforcement Actions." Is the section we need to recreate for Missouri and Florida. We need two timelines, one for Missouri and one for Florida.

I am including a SharePoint link so we can all work on this together. Thank you.

Hi Rory,

Ricardo is pulling together a timeline now. I just wanted to confirm what we are looking for in the timeline. Are you looking for the general timeframe for doing the FMR such as the date we issue the engagement letter & date of entrance conference for example or is there something specific that OCD is requesting?

Thanks,

Hi DFP –

Following-up on OCD's ask from last week's Joint Clearance meeting on timelines for Missouri and Florida. I spoke with Rory this morning, he plans to connect with you on this soon but wanted to share a previous timeline that has gone up for Missouri and Texas.

Also, wanted to let you know that Amber shared the MPP with OCD last week.

Thanks,

Lia

Subject: Outcomes FMG Items Joint Clearance 01/18/2023

Hi Rory, Amber, and Jeremy,

Below are outcomes from the 01/18/2023 Joint Clearance Meeting. Please make any corrections as needed.

1. **Missouri Response to CMS's July 15, 2022 Companion Letter**

- **Background:** FMG will brief CMCS leadership on our analysis and potential options related to Missouri's letter of August 25, 2022 concerning the pooling and redistribution arrangement operated by the Missouri Hospital Association associated with the Federal Reimbursement Allowance (FRA), which is Missouri's hospital tax. Missouri's August 25th letter was in response to the companion letter we sent to the state on July 15, 2022 concurrent with the approval of two state-directed payments funded by the tax. In the companion letter, we indicated CMS would conduct a focused financial review, also known as an FMR, on the state's hospital tax and initiate recoupment of any impermissible federal funds. We included a detailed history of the Missouri Partnership Plan (MPP) and prepared a point-by-point response to all of the arguments that Missouri raised in its August letter. FMG recommends informing Missouri that we still intend to conduct the FMR and notify the state that CMS intends to cancel the MPP effective July 1, 2024.
- **Group Presenting:** FMG
- **Decision Needed:** OCD Concurrence
- **Date Needed:** January 18, 2023

Wrap Up: FMG to circle-back with OCD offline on timing and OCD will help facilitate additional small group discussions

Discussion

2. **Financial Management Review (FMR) Engagement Letter to the State of Florida: Use of LPPFs in FL's State Directed Payments program.**

- **Background:** As part of the annual Financial Management workplan for fiscal year (FY) 2023, FMG is conducting an FMR on Florida's State Directed Payments (SDPs), specifically reviewing the non-federal share of the SDPs for FY 2022. The non-federal share of the SDPs is funded by health care-related taxes imposed by units of local government, cities and counties, which are then transferred to the State Medicaid agency through intergovernmental transfers (IGTs). These tax programs are called "Local Provider Participation Funds" (LPPF). In other states that use LPPF taxes, FMG has concerns that these taxes violate the "hold-harmless" provisions for provider taxes. FMG sent a companion letter to Florida in September 2022 indicating concerns with the LPPF and informing the state of this FMR, which aims to determine if the LPPF meets Federal requirements.
- **Group Presenting:** FMG

Wrap Up: FMG to circle-back with OCD offline on timing and OCD will help facilitate additional small group discussions

Thanks,
Lia

Thanks Amber. We will add it to the agenda now. We received another communication from California last night. We have a meeting scheduled for this Thursday to talk about the CA MCO issue. It was supposed to be today, but had to be moved to accommodate the meeting with NORC and DFO East regarding the Florida LPPF FMR.

Dear all,

Here is the document I have so far. I have more sensitive feedback highlighted in yellow. We can pull out if needed. We need to think carefully about what we want to say as far as if we approve the waiver, how long the waiver will be good for in the future. We say, ordinarily, tax waivers are valid forever as long as the state complies with all federal requirements and does not make any non-uniform changes. However, if we plan on rulemaking in this space and if the rulemaking affects tax waivers that have already been approved that could affect CA's waiver. However, we likely will provide a transition period of some sort to states with approved tax waivers that are affected by the rule. Even assuming that we do propose and finalize some rule, I don't think that it will affect our analysis of CA's current tax waiver request on MCO's in terms of its approvability if we approve it before the effective date of the rule. A lot to talk about.

Dear all,

Disregarding the 75% "reduction", the tax amount is \$8,929,290,630 which is a \$6,866,576,595 increase over the previous tax. The 6% number went from 3.69% to 4.36%. The M1/M2 improved slightly from 0.46 to 0.501.

My advice:

1. Tell the state to get rid of the 75% reduction. It does not make sense and is confusing. Some other states, like MI for their NF tax, did something similar. We told them not to do so in the future.
2. Tell the state to get rid of the future years "projections."
3. Inform the state that we will not make reference to future years in our tax waiver approval letters, but to a set of rates that are good in a waiver as of the effective date of the waiver until the state makes any non-uniform changes as long as they are compliant with all other federal requirements.
4. Inform the state that any rulemaking we do on closing the loophole will be prospective in nature and will not apply to this waiver request because retrospective rulemaking is very rare. We would still look closely at this request to determine if there is a hold harmless arrangement. This approach would need OGD and OCD approval.
5. Ask the state of a column showing the increased payments made to the MCOs that are subject to the tax.
6. Ask the state for a comprehensive description of what the tax is going to fund.
7. Ask the state to verify the jump in net patient revenue and the number of providers. I would recommend providing the old spreadsheet and comparing it to the new spreadsheet to show them what happened.
8. Ask the state to provide a copy of the state law or laws authorizing the new tax when they have it.
9. Ask the state about informing us what the effective date they are seeking is when they have it.
10. Ask the state to let us know when they might be submitting a tax waiver narrative PDF.
11. Inform the state that we plan on issuing tax waiver submission best practices in the future that will be of assistance in setting baseline expectations for tax waivers and tell them to be on the lookout for that.
12. I think it probably will be helpful to have a separate meeting on the CA MCO tax waiver sometime early next week to go over what we are going to ask. If others agree, I will send out a meeting invite.

Best,

Jonathan

Regarding the estimates for future years, they always do that. Usually we ignore the other years. I think we would ignore them this time as well. And we wrote the future years into the tax waiver request when, in retrospect, we probably should not have because that makes us look like we are approving and/or endorsing it. My recommendation would be if and when we do approve this waiver, that we don't list the future years. The tax waiver best practices makes clear that we do not want states to estimate out for future years. Hopefully, once we issue it, CA will stop doing it. Although, because it isn't regulation and there's nothing to compel them, there's not much we can do if they don't.

Dear all,

The numbers that California provided in its spreadsheet don't make sense. They state that the tax on Medi-Cal Member months is **\$8,774,697,200** and the tax on all member months is **\$6,696,967,973**. The total tax cannot be less than the tax on Medi-Cal member months. For some reason, they add the "Medi-Cal" tax to the "commercial tax" number and then multiply the result by 75%. Why they multiply the result by 75% I have no idea. We should ask them.

In general the net patient revenues appears to have skyrocketed from \$55,884,414,440 in 2019-2020 to \$157,163,723,386 in 2023. That is almost a threefold increase. Likewise, the number of plans more than doubled from the previous version of the tax from 37 to 90 plans. The tax amount more than tripled from \$2,062,714,035 to \$6,696,967,973.

I believe that we should also ask about the tremendous increase in the number of plans as well as the net patient revenue.

I don't think we can calculate the M1/M2 for the new tax until we get an answer on the "total tax" question and where the "75% reduction" comes from. Please see attached for changes.

Jonathan

Dear all,

Please see attached California's tax waiver spreadsheet for its 2023 MCO tax. As usual, California continues to submit B1/B2 calculations for multiple years in the future despite the fact that we have told them not to and that we will only review them for one year. I will start comparing this with what they have approved now and running the M1/M2 on it for the sake of comparison.

We have a key member of our team out on Monday and have an immovable conflict on Tuesday at that time. Any chance either 2PM EST on Tuesday 1/31 or Wednesday 2/1 at 1PM EST would work?

Thanks,

Hi everyone –

Our team added comments to the Sharepoint link to go back to MACPAC. They're mostly editorial comments and edits. One big comment asks MACPAC to reframe how they characterize our work post-MFAR rescission.

On the recommendations, I would be amenable to Recommendation #1. For Recommendation #2, however, they are recommending that we implement the Boren Amendment even though Congress explicitly repealed the amendment. They're proposing that CMS require states conduct rate sufficiency analysis relative to the average cost of economic and efficient providers within the state. I would recommend that the commission specify what concrete actions (disapproval, or other enforcing efforts/actions) we should take based on the information they are recommending we collect.

Anyway, it's on the sharepoint site, and ready for review.

Thanks to our team for taking a look!

Andrew

MACPAC has two additional chapters for CMS review and we would greatly appreciate your feedback. We are working hard to seek input on two chapters that will be included in the March report related to 1) nursing facility payment principles and 2) collection and reporting of race and ethnicity data. It would help us if could review both of the attached drafts. I know that everyone is busy but we'd ask for any input by Friday, February 3 (we already asked for the extension - Feb 7th is the new date) to make our production schedule. The chapters are protected. Please use this password to unlock them: (b)(6)

Hi Rory,

I have a quick question on the FL FMR work. I was copied on an email where Jonathan offered our 150 page document from the communication exchange with Texas to NORC, the contractor that DFO works with on the FMRs. Are we free to release this to the contractors? I ask because this is part of litigation between CMS and TX.

Uhhmm Sooo – I reached out to OSG and OHC to work through updating the DoA for Tax Waiver letters to delegate signature to the Division level. It was discovered that many of the updates that were made to CMCS DoAs during the 2020 push following the CMCS re-org were not finalized and updated in the Agency DoAs posted to the CMS website prior to Terri Deluca retiring (she lead DoAs for years). Long story short, OSG will work with OHC to fix this major issue. Joe Kane who is the new OHC DoA lead was really great to work with. Joe will send me the paperwork for DPF tax waivers to be delegated to the Division that will come to you for signature.

Just making you aware

Good morning Joe,

That is a broader discussion that I will circle back with Judi and Monique on as we here in CMCS went through an extensive effort to update all of our DoAs in 2020 (see attached). Judi and Monique, I will follow-up with both of you on the outcome of that effort. For now, I am happy to jump on a call with you Joe to understand what is needed to update the single DoA that we're requesting for Tax Waiver letter signatures.

Please let me know your availability for a quick call.

Hi Beverly,

What I am saying is the document you shared says proposed edits and is only the chart of edits. A delegation needs a signed memo as a legal document that authorizes the delegations. I do not have a record of the signed memo, nor am I finding that the updates were made to the delegation charts on the intranet. So if you want to update the delegations, that is fine, but we should meet on the proposed changes in the Word document since those changes have not been made as far as I can tell.

Thank you,

+ Monique St. Louis.

I am hoping Judi and Monique can assist. CMCS went through a re-org at the end of 2019. In February 2020, we went through an extensive exercise to update DoAs given the restructuring of the Center. I believe Terri DeLuca was still with the Agency at that time would have assisted with facilitating the updates. Again, we want to update (confirm our ability to update) the signatory level to add Div Dir signature to one of our DoAs. This should follow the normal process for updating any DoA. Joe, is the issue that you cannot locate this DoA?

Response Due: March 17, 2020

Good morning. The program delegation of authorities under the Debt Collection Act (31 USC 3711, et seq.) was approved by the Administrator on December 18, 2018. It includes two authorities and is being revised to: 1) update nomenclature in the Center for Medicaid and CHIP Services, 2) re-delegate authority from the Consortium for Financial Management and Fee-For-Service Operations to the Office of Program Operations and Local Engagement, and 3) re-delegate authority from the Consortium for Quality Improvement and S & C Operations to the Center for Clinical Standards and Quality based on the “One CMS” approved reorganization, and the Medicare Secondary Payer post-settlement Value Stream pilot process that is expected to run from March 16 through June 15.

The program delegation (includes two authorities) was retrieved from the overall delegation project and will be prepared in a separate delegation package for signature by the Administrator. The delegation package will include the revised delegation (1st document), rescinded delegation (2nd document), and appendix (3rd document). Essentially, the changes were made to reflect the current functional responsibility and structures in each component. No changes were/will be made to the 2nd document because it becomes obsolete once the delegation package is signed by the Administrator.

Please review the “Draft DoA—31 USC 3711—Debt Collection Act” (1st document) and send me either your comments (using track changes) or your concurrence. I’ll coordinate with the Office of the General Counsel and obtain an opinion to move the package forward to the Administrator for signature.

Let me know if you have any questions.

Thanks
Terri

Erin,

Please see attached the tax waiver approval letters for Michigan’s nursing facility assessment with effective dates of September 1, 2022 and October 1, 2022. In future years, if the state could remind us when it sends its September 1 letter that another October 1 letter will be coming we would appreciate it. Thank you. Please let us know if you have any questions or concerns. We look forward to working with you in the future.

Thank you Erin. I am acknowledging receipt of the State's response. In the future, if the State could put the percentage as well as the net patient revenue used to calculate the percentage inside the Excel spreadsheet itself that might be beneficial. We will be in touch if we have any additional questions.

Erin,

For the tax waiver request effective October 1, 2022, can the State of Michigan please provide us with the percentage of net patient revenue raised by the assessment for purposes of the 6% test found at 42 CFR 433.68 (f)(3)(i)(a)? The state has already indicated that the percentage for the tax waiver effective September 1, 2022 is 4.19%. Thank you.

Good afternoon Jonathan.

Our team indicated there was an error in reporting. The Oasis at Adrian Rehabilitation and Nursing Care should have read 114 beds, so they should remain a Tier 2 facility. We agree that Medilodge of Kalamazoo should qualify for Tier 1 by having only 39 beds. A previous correction caused information to shift in error, and this has been corrected and verified. Please see the attached file with two updated tabs that reflect these changes.

Thanks,
Erin

Dear Erin,

After further review of the State's spreadsheet it appears that there are two additional facilities, The Oasis at Adrian Rehabilitation and Nursing Care (1 bed) and Medilodge of Kalamazoo (39 beds) that should qualify for tier 1 (Column AI) by virtue of having fewer than forty beds, but are listed as tier 2 (Column AJ) for all other facilities. Does the state concur with this correction?

Erin,

We have continued our analysis of Michigan's NF tax spreadsheet and we are unable to replicate the Tier Tax Amount (Column AH in the attached spreadsheet) for facilities in Tier II (\$23.35 per non-Medicare day) or Tier III (\$16.00 per non-Medicare day). Column AH uses the tax rates from the initial submission for FY 22 (\$27.55 for Tier 2 and \$19.00 for Tier 3) We are able to replicate the state's tier tax amounts for Tier 0, exempted facilities, and facilities in Tier I, those with 40 beds or fewer taxed \$2.00 per non-Medicare day. Please see column AJ in the spreadsheet attached for our calculations. In order to arrive at the tier tax amount, we took the all taxable days column (column S in the attached spreadsheet) and multiplied it by the tax rate for the tier (column AI) which we derived from the Tier column (column T) that lists the tier for each facility. Can the state please explain how it calculated the tier tax amounts for tiers II and III? The state does not provide formulas in its spreadsheet so we are unable to determine what formula the state used to calculate the Tier Tax Amount (Column AH). Any explanation or clarification you could provide would be most helpful. Thank you.

In our first submission of the amended waiver, we had only included the adjustments for the last month of FY22. We were then asked to send back all the columns from the original submission, which I labeled as "FY 22 Model Last month (Full)" which included the data from our initial submission and then off to the right, columns AQ-AV, the adjustments for just September using the new rates (\$23.35 tier 2 and \$16.00 tier 3). The adjusted columns are 1/12 of the full data and use the new rates. Calculations in those columns remain for verification purposes. CMS's verifications, highlighted in yellow, were using the "full" data and not the adjusted data. Please refer to columns AQ-AV for your analysis. (BB)

Jonathan

Hi Jonathan,

Our team has added a new column that includes the proper bed counts for this time period (highlighted in yellow on the "FY22 Model last month (FULL)" tab. Additionally, we noticed that there were two facilities that were included in the tier 2 (Column AJ) but should have been in the tier 1 (Column AI). This was inconsistent with two other places in the data

supplied. We have corrected that and verified that all calculations for those two facilities were done for the proper tier. No further corrections are needed for the calculations.

Thanks,
Erin

Erin,

We were reviewing the Excel spreadsheet for the Michigan NF tax and we had a question. Instead of having a separate "bed assessment report" tab would it be possible to simply have a beds column to the "FY 22 Last Month Full Tab"? We are having a hard time matching the nursing facilities from the "FY 22 Last Month Full Tab" with the nursing facilities from the "bed assessment report." This is necessary to verify that only facilities with less than 40 beds are charged the \$2.00 a day rate. Thank you.

Dear Erin,

We believe that there is an error in the State's tax waiver request letter. In the letter, you note that facilities with Medicaid days above the threshold, which is Tier 3, are charged a higher rate of \$23.35 compared to the rate for all other facilities, which you say is \$16.00. However, on your spreadsheet you show the reverse. Tier 3 facilities, which are facilities with Medicaid days above the threshold are charged a rate of \$16.00 whereas all other facilities are charged a

rate of \$23.35. We believe that the information contained in the spreadsheet is correct and the information contained in the tax waiver request is incorrect. Can you confirm? If so, can you send a corrected tax waiver request?

Thank you.

Jonathan

Hello Erin,

We had one additional follow up question. On the call, someone from the State mentioned that the data was from 2020. Michigan's fiscal year runs from October 1 to September 30. That would mean that the data is from October 1, 2019 to September 30, 2020. Is that correct? And the beds number is from October 1, 2021, according to the spreadsheet. Is that correct?

Thank you.

Subject: RE: Amended MI Nursing Home QAAP Uniformity Waiver

Hello Erin,

We looked back over the tax waiver narrative request and also your tax waiver request letter. We have several questions. During the state's previous submission, which was submitted on December 20, 2021, the state initially requested an effective date of August 1, 2021, which we told the state we could not give under 42 CFR 433.72 which states that the earliest effective date that CMS can give for a health care-related tax waiver is the first day of the calendar quarter in which the state submits the waiver. On March 3, 2022 the state submitted an amended spreadsheet with a requested effective date of October 1, 2021. Michigan's current request appears to be for only one month, September 2022. In addition, Michigan provided only one month of data in its spreadsheet. Normally, states submit one year of data. Is Michigan planning on submitting another waiver effective October 1, 2022? Is there any way to get a spreadsheet that contains more than a month of data?

Because Michigan submitted only one month of data there is no way to verify what facilities have more than 43,500 days on an annual basis. In addition, would it be possible to add a beds column to be able to verify the under 40 beds facilities? Finally, there were many columns in the March 2022 submission that the state has deleted from the current submission. For example, Title XVIII days and total inpatient days among others. Please see attached for the March 2022 spreadsheet. Why were these columns deleted?

If you feel it would be beneficial to schedule a call to clear up these questions please let us know. Thank you.

Best,

Jonathan

Hello Erin. Good morning. We are acknowledging receipt. Could you let us know the net patient revenue figure you used to get the 6% number? Also, could you provide us with a short description of the programs that are being funded by this tax (e.g. state-directed payment, section 1115 waiver, state plan-authority payment) as well as a breakdown for each hospital for how much tax they are expected to pay versus how much reimbursement funded by the tax, generally in the form of Medicaid payments, they are expected to receive? This is to ensure that there is no hold harmless arrangement under section 1903 (w)(4) and 42 CFR 433.68. Please let us know if you have any questions, concerns, or difficulties. Thank you.

Mr. Goldstein,

Attached please find Michigan's letter requesting approval of an amended waiver of the broad based and uniform tax application as provided for in sections 1903(w)(3) (B) and (C) of the Social Security Act. Supporting documents are also attached. The percentage of net patient revenue represented by the nursing facility assessment for the permissible class of nursing facility services for the purposes of determining the 6% indirect hold harmless test as specified by 42 CFR § 433.68 (f)(3)(i)(A) is 4.19%.

Erin,

Please see attached the tax waiver approval letters for Michigan's nursing facility assessment with effective dates of September 1, 2022 and October 1, 2022. In future years, if the state could remind us when it sends its September 1 letter that another October 1 letter will be coming we would appreciate it. Thank you. Thank you Erin. I am acknowledging receipt of the State's response. In the future, if the State could put the percentage as well as the net patient revenue used to calculate the percentage inside the Excel spreadsheet itself that might be beneficial. We will be in touch if we have any additional questions.

Erin,

For the tax waiver request effective October 1, 2022, can the State of Michigan please provide us with the percentage of net patient revenue raised by the assessment for purposes of the 6% test found at 42 CFR 433.68 (f)(3)(i)(a)? The state has already indicated that the percentage for the tax waiver effective September 1, 2022 is 4.19%. Thank you.

Good afternoon Jonathan.

Our team indicated there was an error in reporting. The Oasis at Adrian Rehabilitation and Nursing Care should have read 114 beds, so they should remain a Tier 2 facility. We agree that Medilodge of Kalamazoo should qualify for Tier 1 by having only 39 beds. A previous correction caused information to shift in error, and this has been corrected and verified. Please see the attached file with two updated tabs that reflect these changes.

Thanks,
Erin

Dear Erin,

After further review of the State's spreadsheet it appears that there are two additional facilities, The Oasis at Adrian Rehabilitation and Nursing Care (1 bed) and Medilodge of Kalamazoo (39 beds) that should qualify for tier 1 (Column AI) by virtue of having fewer than forty beds, but are listed as tier 2 (Column AJ) for all other facilities. Does the state concur with this correction?

Erin,

We have continued our analysis of Michigan's NF tax spreadsheet and we are unable to replicate the Tier Tax Amount (Column AH in the attached spreadsheet) for facilities in Tier II (\$23.35 per non-Medicare day) or Tier III (\$16.00 per non-Medicare day). Column AH uses the tax rates from the initial submission for FY 22 (\$27.55 for Tier 2 and \$19.00 for Tier 3) We are able to replicate the state's tier tax amounts for Tier 0, exempted facilities, and facilities in Tier I, those with 40 beds or fewer taxed \$2.00 per non-Medicare day. Please see column AJ in the spreadsheet attached for our calculations. In order to arrive at the tier tax amount, we took the all taxable days column (column S in the attached spreadsheet) and multiplied it by the tax rate for the tier (column AI) which we derived from the Tier column (column T) that lists the tier for each facility. Can the state please explain how it calculated the tier tax amounts for tiers II and III?

The state does not provide formulas in its spreadsheet so we are unable to determine what formula the state used to calculate the Tier Tax Amount (Column AH). Any explanation or clarification you could provide would be most helpful. Thank you.

In our first submission of the amended waiver, we had only included the adjustments for the last month of FY22. We were then asked to send back all the columns from the original submission, which I labeled as "FY 22 Model Last month (Full)" which included the data from our initial submission and then off to the right, columns AQ-AV, the adjustments for just September using the new rates (\$23.35 tier 2 and \$16.00 tier 3). The adjusted columns are 1/12 of the full data and use the new rates. Calculations in those columns remain for verification purposes. CMS's verifications, highlighted in yellow, were using the "full" data and not the adjusted data. Please refer to columns AQ-AV for your analysis. (BB)

Jonathan

Hi Jonathan,

Our team has added a new column that includes the proper bed counts for this time period (highlighted in yellow on the "FY22 Model last month (FULL)" tab. Additionally, we noticed that there were two facilities that were included in the tier 2 (Column AJ) but should have been in the tier 1 (Column AI). This was inconsistent with two other places in the data supplied. We have corrected that and verified that all calculations for those two facilities were done for the proper tier. No further corrections are needed for the calculations.

Thanks,

Erin

Erin,

We were reviewing the Excel spreadsheet for the Michigan NF tax and we had a question. Instead of having a separate "bed assessment report" tab would it be possible to simply have a beds column to the "FY 22 Last Month Full Tab"? We are having a hard time matching the nursing facilities from the "FY 22 Last Month Full Tab" with the nursing facilities from the "bed assessment report." This is necessary to verify that only facilities with less than 40 beds are charged the \$2.00 a day rate. Thank you.

Jonathan

Dear Erin,

We believe that there is an error in the State's tax waiver request letter. In the letter, you note that facilities with Medicaid days above the threshold, which is Tier 3, are charged a higher rate of \$23.35 compared to the rate for all other facilities, which you say is \$16.00. However, on your spreadsheet you show the reverse. Tier 3 facilities, which are facilities with Medicaid days above the threshold are charged a rate of \$16.00 whereas all other facilities are charged a rate of \$23.35. We believe that the information contained in the spreadsheet is correct and the information contained in the tax waiver request is incorrect. Can you confirm? If so, can you send a corrected tax waiver request?

Thank you.

Jonathan

Hello Erin,

We had one additional follow up question. On the call, someone from the State mentioned that the data was from 2020. Michigan's fiscal year runs from October 1 to September 30. That would mean that the data is from October 1, 2019 to September 30, 2020. Is that correct? And the beds number is from October 1, 2021, according to the spreadsheet. Is that correct?

Thank you.

Best,

Jonathan

Subject: RE: Amended MI Nursing Home QAAP Uniformity Waiver

Hello Erin,

We looked back over the tax waiver narrative request and also your tax waiver request letter. We have several questions. During the state's previous submission, which was submitted on December 20, 2021, the state initially requested an effective date of August 1, 2021, which we told the state we could not give under 42 CFR 433.72 which states that the earliest effective date that CMS can give for a health care-related tax waiver is the first day of the calendar quarter in which the state submits the waiver. On March 3, 2022 the state submitted an amended spreadsheet with a requested effective date of October 1, 2021. Michigan's current request appears to be for only one month, September 2022. In addition, Michigan provided only one month of data in its spreadsheet. Normally, states submit one

year of data. Is Michigan planning on submitting another waiver effective October 1, 2022? Is there any way to get a spreadsheet that contains more than a month of data?

Because Michigan submitted only one month of data there is no way to verify what facilities have more than 43,500 days on an annual basis. In addition, would it be possible to add a beds column to be able to verify the under 40 beds facilities? Finally, there were many columns in the March 2022 submission that the state has deleted from the current submission. For example, Title XVIII days and total inpatient days among others. Please see attached for the March 2022 spreadsheet. Why were these columns deleted?

If you feel it would be beneficial to schedule a call to clear up these questions please let us know. Thank you.

Best,

Jonathan

Hello Erin. Good morning. We are acknowledging receipt. Could you let us know the net patient revenue figure you used to get the 6% number? Also, could you provide us with a short description of the programs that are being funded by this tax (e.g. state-directed payment, section 1115 waiver, state plan-authority payment) as well as a breakdown for each hospital for how much tax they are expected to pay versus how much reimbursement funded by the tax, generally in the form of Medicaid payments, they are expected to receive? This is to ensure that there is no hold harmless arrangement under section 1903 (w)(4) and 42 CFR 433.68. Please let us know if you have any questions, concerns, or difficulties.

Thank you.

Jonathan

Mr. Goldstein,

Attached please find Michigan's letter requesting approval of an amended waiver of the broad based and uniform tax application as provided for in sections 1903(w)(3) (B) and (C) of the Social Security Act. Supporting documents are also attached. The percentage of net patient revenue represented by the nursing facility assessment for the permissible class of nursing facility services for the purposes of determining the 6% indirect hold harmless test as specified by 42 CFR § 433.68 (f)(3)(i)(A) is 4.19%.

Subject: DUE COB THURS 2/16: GAO Priority Letter and DOF Report Follow Up Requests

Good morning,

We received GAO open recommendations for update in the below SP link as follow → [Open CAP Recommendations](#)

- **Row 6:DRP-** Updates needed on the status supplement payments in MBES
- **Row 7:DRP –** Updates needed on NPI data in the MBES and MFAR (**I did provide language and the link to the withdrawn MFAR rule**)
- **Row 8:Jay/Rory/Amber/Jeremy –** National Risk assessment (**I did provide language around strategy to backfill resources based on workload and also tied in FMRs to focus on high risk areas**)
- **Row 11:DRP –** Updates to Qs on CAA guidance linking supplemental payments to Medicaid services
- **Row 12:Jay/DFOs:** Updates on status of states' corrected reporting on PCS expenditures in the CMS-64
- **Row 15: Jay/DFOs –** 2023 Updates to previous status of FMR. **Please FMR update spreadsheet here** → [Status of FMRs](#)

Note to reviewers: I plan to raise concerns with the CAPs coordinators in OFM (Audit Review Team) that in cases where we have met the recommendation, i.e. where the GAO recommended that we issue Guidance to address the distribution of supplemental payments, the CAA guidance we issued, should have been enough to close the recommendations. Instead, the GAO is now submitting several questions on portions of the guidance which is outside of the 2016 audit finding.

Thanks

Beverly

Hi Anna,

You and Jeremy should have gotten both the meeting at 11am on Friday with OMB and a prep we have with OACT that morning; if you are not able to attend the prep, I understand. I did also alert OMB that you all were coming as well, but kept it high level (a concern or two in the financing section).

I did also talk to John on Friday about the last comment you have flagged in the financing section (applying (b) broadly in 438) and he agreed that it could be read to imply that CMS doesn't believe it currently applies more broadly. How do you all feel about soliciting comment on applying (H) more broadly to part 438? I don't see as many concerns given that (H) is new, but didn't know where you all were.

To meet OMB part way, we could offer the following tack on (the first sentence is literally copied out of the provider payment section and has been cleared I believe by OGC. Again, I don't think it is necessary or really does much, but might appease OMB....but defer to you all.

We again remind States that the statutory requirements in sections 1902(a)(2), 1903(a), 1903(w), and 1905(b) of the Act concerning the non-Federal share contribution and financing requirements, including those implemented in 42 CFR part 433, subpart B concerning health care-related taxes, bona fide provider related donations, and IGTs, apply to all Medicaid expenditures regardless of delivery system (fee-for-service or managed care). ~~Given that all Federal legal requirements for the financing of the non-Federal share, including but not limited to, 42 CFR part 433, subpart B, apply regardless of delivery system,~~ we also solicit public comment on whether the proposed changes in § 438.6(c)(2)(ii)(~~G~~) and (H) should be incorporated broadly into 42 CFR part 438.

Thanks,
Laura

Good morning John and Miquel,

Please see attached an updated version of the CMCS Informational Bulletin (CIB) that I originally shared below. Tentatively, CMS is scheduled to publish the CIB on Friday, so we wanted to provide you advanced notice and a more recent draft. Again, the CIB is intended to remind states of statutory and regulatory requirements regarding prohibited hold harmless arrangements and the production of supporting documentation. It does not establish any new CMS policy or requirements. Please keep the draft close hold, as it is has not been released publicly.

Please let me know if you have any questions.

Thanks,
Rory

Hi Miquel,

In addition to the materials that we shared last week, please see attached the current draft of an informational bulletin that CMS intends to release to states later this year or early next year. The bulletin would remind states of statutory and

regulatory requirements regarding prohibited hold harmless arrangements and producing supporting documentation to CMS. It would not establish any new CMS policy or requirements. Please keep the draft close hold, as it is still under development by CMS and has not been released outside of CMS.

We thought the information might be helpful to you. As always, please let us know if you have questions or would like to discuss.

Thanks,
Rory

Subject: RE: 2008 final rule health care related taxes

Good morning Miquel,

Please see attached five documents per our conversation last week. They are as follows:

- 1) A November 2021 letter from CMS to the State of Texas outlining CMS' concerns regarding a possible hold harmless arrangement relating the state's LPPF financing.
- 2) A set of consolidated communication between CMS and the State of Texas regarding multiple proposed SDPs. The communication includes robust discussion regarding the state's LPPF arrangement.
- 3) A March 2022 letter informing the state that one of its proposed SDPs are approved, but informing the state that the SDP approval does not constitute an approval of underlying sources of non-federal share. Please note that this is only one of three parallel TX approval letters that we are including as an example. The other letters contained the same language regarding non-federal share sources.
- 4) A September 2022 letter from CMS approving a proposed state directed payment (SDP) for the State of Florida, but informing the state that the SDP approval does not constitute an approval of underlying sources of non-federal share.
- 5) A September 2022 "companion" letter sent to Florida at the same time as the SDP approval indicating that CMS has outstanding concerns regarding the state's source of non-federal share for its SDP. The letter provides detailed information regarding the statutory and regulatory basis for our concerns regarding a possible hold harmless arrangement, as well as notifies the state of CMS' intent to conduct a FY 23 financial management review of Florida's LPPF arrangement.

Please let us know if you have any questions of if it would be helpful to set up some more time to discuss.

Regards,
Rory

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions. Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by their health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's use of revenues from its Local Provider Participation (LPPF) tax program as a source of Florida's non-federal share (b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/21/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Thanks, Beverly. I think some of the line edits are visible in the CIB, but many by OL are not visible. Is there a version with the line edits visible?

Hello,

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions**? As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks

Thanks Kristin,

Status update: OCD confirmed we are still aiming for 1/23. OCD is awaiting OGC comments (if any) on the CIB. Once the CIB clears Comms, the OCD will send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

In addition due COB today - Here is the reactive that was drafted by OC for the CIB. **Please let me know if you have edits to the reactive statement developed by OC.**

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions. Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share.

(b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64 review** of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/21/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

- (4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20):** DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions
- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
 - On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

OL appears to be arguing that (b)(5)
(b)(5) They are, of course, but that is not the only motivating factor in issuing the CIB (b)(5)
(b)(5)
(b)(5) However, I wanted to gauge the temperature of others to see how we wanted to approach this.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Subject: OGC-OL Passback: Status and Follow Up on Reactive Statement DUE COB TODAY: CIB Health Care Related Taxes and Hold Harmless Arrangements

Hello,

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions**? As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks

Beverly

Thanks Kristin,

Status update: OCD confirmed we are still aiming for 1/23. OCD is awaiting OGC comments (if any) on the CIB. Once the CIB clears Comms, the OCD will send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

In addition due COB today - Here is the reactive that was drafted by OC for the CIB. **Please let me know if you have edits to the reactive statement developed by OC.**

Thanks

Thanks Beverly. I defer to others but don't think the edits are helpful for the CIB. It was carefully crafted language. I would not recommend accepting these changes.

Hi Tim,

Happy New Year. I appreciate you taking the time to review and to comment. Thanks for catching the typo and for highlighting where we could be more precise to avoid misinterpretations. We'll update the draft CIB to address the comments/edit. Thanks again.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Hi Jonathan,

Thanks for the edits. I did add Stuart's edit below in blue. The Reactive Statement is internal only so the edits appear fine to me. I did not see any ***tweaks*** to the CIB which is good. Rory/Amber/Jeremy, please confirm any final edits to the "reactive" and also clear the final CIB. Rory, please note actions for 2/17 below.

(1) final ***tweaks*** to the final CIB here → Final Taxes CIB

(1) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share (b)(5)

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

They are, of course, but that is not the only motivating factor in issuing

the CIB.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Hello,

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions**? As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by

its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share

(b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

Hello,

I want to make you aware that the release of the taxes CIB has been moved to Friday 2/17. Rory will connect with the FL SMD regarding the FMR on the following Weds 2/22? Rory is that your understanding?

I will keep everyone posted on any changes.

Thanks

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

I am checking with Perrie on whether the below schedule will be revised given the new 2/10 release date. I will keep you posted.

- 1/19 – Send to IOS (Rachel) for Review
- 1/23 COB – Rachel sends comments
- 1/25 – FMG revises
- 1/26 9am – Send to EOP (DPC, OMB) for review
- 1/30 12pm – EOP sends comments
- 1/30 – FMG revises
- 1/31 or 2/1 – Launch (depending on comments?)

OL appears to be arguing (b)(5)

(b)(5) They are, of course, but that is not the only motivating factor in issuing the CIB. (b)(5)

(b)(5)

(b)(5) However, I wanted to gauge the temperature of others to see how we wanted to approach this.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be to aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions?** As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks Beverly. I defer to others but don't think the edits are helpful for the CIB. It was carefully crafted language. I would not recommend accepting these changes.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

The only edit I had is the quarterly report for MO is 12/31/2022 not 12/21/2022. I changed highlighted in yellow red font.

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and su (b)(5)

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

Hello,

I want to make you aware that the release of the taxes CIB has been moved to Friday 2/17. Rory will connect with the FL SMD regarding the FMR on the following Weds 2/22? Rory is that your understanding?

I will keep everyone posted on any changes.

Thanks

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

OL appears to be arguing that: (b)(5)
(b)(5) They are, of course, but that is not the only motivating factor in issuing the CIB. (b)(5)

(b)(5)

(b)(5) However, I wanted to gauge the temperature of others to see how we wanted to approach this.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Hi Rory,

I accepted the edits as final in the attached. If there are no other edits/comments, I will move the attached CIB and Reactive forward to the OCD.

FMR Reactive Statement:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share. (b)(5)

Thanks everyone!

Hello team,

Hopefully this will be quick and I can hear back by COB today.

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

Jonathan

OL appears to be arguing that (b)(5)
(b)(5) They are, of course, but that is not the only motivating factor in issuing the CIB (b)(5)

(b)(5)

(b)(5)

However, I wanted to gauge the temperature of others to see how we wanted to approach this.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be to aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: DUE COB THURS 2/16: GAO Priority Letter and DOF Report Follow Up Requests

Good morning,

We received GAO open recommendations for update in the below SP link as follow → [Open CAP Recommendations](#)

- **Row 6:DRP-** Updates needed on the status supplement payments in MBES
- **Row 7:DRP** – Updates needed on NPI data in the MBES and MFAR (**I did provide language and the link to the withdrawn MFAR rule**)
- **Row 8:Jay/Rory/Amber/Jeremy** – National Risk assessment (**I did provide language around strategy to backfill resources based on workload and also tied in FMRs to focus on high risk areas**)
- **Row 11:DRP** – Updates to Qs on CAA guidance linking supplemental payments to Medicaid services
- **Row 12:Jay/DFOs:** Updates on status of states' corrected reporting on PCS expenditures in the CMS-64

- **Row 15: Jay/DFOs – 2023 Updates to previous status of FMR. Please FMR update spreadsheet here**
→ [Status of FMRs](#)

Note to reviewers: I plan to raise concerns with the CAPs coordinators in OFM (Audit Review Team) that in cases where we have met the recommendation, i.e. where the GAO recommended that we issue Guidance to address the distribution of supplemental payments, the CAA guidance we issued, should have been enough to close the recommendations. Instead, the GAO is now submitting several questions on portions of the guidance which is outside of the 2016 audit finding.

Thanks

Beverly

Good morning John and Miquel,

Please see attached an updated version of the CMCS Informational Bulletin (CIB) that I originally shared below. Tentatively, CMS is scheduled to publish the CIB on Friday, so we wanted to provide you advanced notice and a more recent draft. Again, the CIB is intended to remind states of statutory and regulatory requirements regarding prohibited hold harmless arrangements and the production of supporting documentation. It does not establish any new CMS policy or requirements. Please keep the draft close hold, as it is has not been released publicly.

Please let me know if you have any questions.

Thanks,
Rory

Hi Miquel,

In addition to the materials that we shared last week, please see attached the current draft of an informational bulletin that CMS intends to release to states later this year or early next year. The bulletin would remind states of statutory and regulatory requirements regarding prohibited hold harmless arrangements and producing supporting documentation to CMS. It would not establish any new CMS policy or requirements. Please keep the draft close hold, as it is still under development by CMS and has not been released outside of CMS.

We thought the information might be helpful to you. As always, please let us know if you have questions or would like to discuss.

Thanks,

Good morning Miquel,

Please see attached five documents per our conversation last week. They are as follows:

- 1) A November 2021 letter from CMS to the State of Texas outlining CMS' concerns regarding a possible hold harmless arrangement relating the state's LPPF financing.
- 2) A set of consolidated communication between CMS and the State of Texas regarding multiple proposed SDPs. The communication includes robust discussion regarding the state's LPPF arrangement.
- 3) A March 2022 letter informing the state that one of its proposed SDPs are approved, but informing the state that the SDP approval does not constitute an approval of underlying sources of non-federal share. Please note that this is only one of three parallel TX approval letters that we are including as an example. The other letters contained the same language regarding non-federal share sources.
- 4) A September 2022 letter from CMS approving a proposed state directed payment (SDP) for the State of Florida, but informing the state that the SDP approval does not constitute an approval of underlying sources of non-federal share.
- 5) A September 2022 "companion" letter sent to Florida at the same time as the SDP approval indicating that CMS has outstanding concerns regarding the state's source of non-federal share for its SDP. The letter provides detailed information regarding the statutory and regulatory basis for our concerns regarding a possible hold harmless arrangement, as well as notifies the state of CMS' intent to conduct a FY 23 financial management review of Florida's LPPF arrangement.

Please let us know if you have any questions of if it would be helpful to set up some more time to discuss.

Regards,
Rory

Good morning John and Miquel,

Please see attached an updated version of the CMCS Informational Bulletin (CIB) that I originally shared below. Tentatively, CMS is scheduled to publish the CIB on Friday, so we wanted to provide you advanced notice and a more recent draft. Again, the CIB is intended to remind states of statutory and regulatory requirements regarding prohibited hold harmless arrangements and the production of supporting documentation. It does not establish any new CMS policy or requirements. Please keep the draft close hold, as it is has not been released publicly.

Please let me know if you have any questions.

Thanks,
Rory

Subject: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS
Attachments: Updated - Reactive CIB Health care related taxes and hold harmless Feb 15 818am.docx

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

- (1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)
- (2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → [OCD Qs on FMG - FL MO TX Taxes Related Actions](#)

OCD Qs on FL, MO, TX taxes related actions (please provide responses in SP link above)

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time?
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX?
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start?
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov?

4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response.
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP.

Thank you

Beverly

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions. Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share. (b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64 review** of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

- (4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20):** DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions
- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
 - On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

Hello,

I want to make you aware that the release of the taxes CIB has been moved to Friday 2/17. Rory will connect with the FL SMD regarding the FMR on the following Weds 2/22? Rory is that your understanding?

I will keep everyone posted on any changes.

Thanks

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

OL appears to be arguing that (b)(5)
(b)(5) they are, of course, but that is not the only motivating factor in issuing the CIB. (b)(5)

(b)(5)

(b)(5) However, I wanted to gauge the temperature of others to see how we wanted to approach this.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Thanks Kristin,

Status update: OCD confirmed we are still aiming for 1/23. OCD is awaiting OGC comments (if any) on the CIB. Once the CIB clears Comms, the OCD will send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

In addition due COB today - Here is the reactive that was drafted by OC for the CIB. **Please let me know if you have edits to the reactive statement developed by OC.**

Thanks

Beverly

Thanks Beverly. I defer to others but don't think the edits are helpful for the CIB. It was carefully crafted language. I would not recommend accepting these changes.

Hi Tim,

Happy New Year. I appreciate you taking the time to review and to comment. Thanks for catching the typo and for highlighting where we could be more precise to avoid misinterpretations. We'll update the draft CIB to address the comments/edit. Thanks again.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

I addressed the OL comments on the reactive statement. But I don't think a change is necessary for the first comment as that is covered in the first paragraph.

Subject: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

- (1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)
- (2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → [OCD Qs on FMG - FL MO TX Taxes Related Actions](#)

OCD Qs on FL, MO, TX taxes related actions (please provide responses in SP link above)

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time?
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX?
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start?
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov?
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response.
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP.

Thank you

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions. Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share. (b)(5)

(b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Thanks, Beverly. I think some of the line edits are visible in the CIB, but many by OL are not visible. Is there a version with the line edits visible?

Hello,

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions**? As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks

Thanks Kristin,

Status update: OCD confirmed we are still aiming for 1/23. OCD is awaiting OGC comments (if any) on the CIB. Once the CIB clears Comms, the OCD will send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

In addition due COB today - Here is the reactive that was drafted by OC for the CIB. **Please let me know if you have edits to the reactive statement developed by OC.**

Thanks Beverly. I defer to others but don't think the edits are helpful for the CIB. It was carefully crafted language. I would not recommend accepting these changes.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

- (1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → CIB Reactive Statement w/OL Comments
- (2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → OCD Qs on FMG - FL MO TX Taxes Related Actions

OCD Qs on FL, MO, TX taxes related actions (please provide responses in SP link above)

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing)**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIAABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Thank you

Beverly

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by

its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share. (b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

OL appears to be arguing that (b)(5)

(b)(5) They are, of course, but that is not the only motivating factor in issuing the CIB. (b)(5)

(b)(5)

(b)(5) However, I wanted to gauge the temperature of others to see how we wanted to approach this.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

(1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)

(2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → [OCD Qs on FMG - FL MO TX Taxes Related Actions](#)

OCD Qs on FL, MO, TX taxes related actions (please provide responses in SP link above)

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Thank you

Beverly

The only edit I had is the quarterly report for MO is 12/31/2022 not 12/21/2022. I changed highlighted in yellow red font.

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share. (b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

Hello,

I want to make you aware that the release of the taxes CIB has been moved to Friday 2/17. Rory will connect with the FL SMD regarding the FMR on the following Weds 2/22? Rory is that your understanding?

I will keep everyone posted on any changes.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: RE: RE: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Thanks Dorothy and Kristin, since the OCD Qs seem to work better outside of SP, we'll go with that. Jay can you confirm on Q1. Anyone else have responses to address the Qs ?

OCD Qs on FL, MO, TX taxes related actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIAABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**

- b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Also, please review and confirm (thanks Kristin, anyone else?) where we accept the proposed changes → CIB Reactive Statement w/OL Comments

Subject: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

(1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)

(2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → [OCD Qs on FMG - FL MO TX Taxes Related Actions](#)

OCD Qs on FL, MO, TX taxes related actions (please provide responses in SP link above)

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Thank you

Beverly

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share. (b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

OL appears to be arguing that (b)(5) They are, of course, but that is not the only motivating factor in issuing the CIB. (b)(5)

(b)(5)

(b)(5) However, I wanted to gauge the temperature of others to see how we wanted to approach this.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be to aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Hello,

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions**? As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: RE: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Thanks Dorothy and Kristin, since the OCD Qs seem to work better outside of SP, we'll go with that. Jay can you confirm on Q1. Anyone else have responses to address the Qs ?

OCD Qs on FL, MO, TX taxes related actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report for Texas that began in November 2021 and is expected to be completed sometime in 2023 (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Also, please review and confirm (thanks Kristin, anyone else?) where we accept the proposed changes → CIB Reactive Statement w/OL Comments

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share. (b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

Hello,

I want to make you aware that the release of the taxes CIB has been moved to Friday 2/17. Rory will connect with the FL SMD regarding the FMR on the following Weds 2/22? Rory is that your understanding?

I will keep everyone posted on any changes.

Thanks

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

They are, of course, but that is not the only motivating factor in issuing

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Status update: OCD confirmed we are still aiming for 1/23. OCD is awaiting OGC comments (if any) on the CIB. Once the CIB clears Comms, the OCD will send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

In addition due COB today - Here is the reactive that was drafted by OC for the CIB. **Please let me know if you have edits to the reactive statement developed by OC.**

Thanks

Beverly

Thanks Beverly. I defer to others but don't think the edits are helpful for the CIB. It was carefully crafted language. I would not recommend accepting these changes.

Hi Tim,

Happy New Year. I appreciate you taking the time to review and to comment. Thanks for catching the typo and for highlighting where we could be more precise to avoid misinterpretations. We'll update the draft CIB to address the comments/edit. Thanks again.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Florida has not had an FMR in over 10 years...think the last was on DSH in 2010 and it was not issued to the state.

Thanks Dorothy and Kristin, since the OCD Qs seem to work better outside of SP, we'll go with that. Jay can you confirm on Q1. Anyone else have responses to address the Qs ?

OCD Qs on FL, MO, TX taxes related actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIAABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Also, please review and confirm (thanks Kristin, anyone else?) where we accept the proposed changes → CIB Reactive Statement w/OL Comments

Subject: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

- (1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)
- (2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → [OCD Qs on FMG - FL MO TX Taxes Related Actions](#)

OCD Qs on FL, MO, TX taxes related actions (please provide responses in SP link above)

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. I think adding: (b)(5)
(b)(5) I think (b)(5)
(b)(5)
(b)(5) Florida, like Texas, stated that they did not plan to request the attestations because they did not believe that we or they had the authority to ask for them. I think (b)(5)
(b)(5) We are also going to look at how the state collects and exercises oversight over the health care-related tax.

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
 - On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

OL appears to be arguing that (b)(5)
(b)(5) They are, of course, but that is not the only motivating factor in issuing the CIB. (b)(5)
(b)(5)
(b)(5) However, I wanted to gauge the temperature of others to see how we wanted to approach this.

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Can you take a look and let me know **when you'll be able to turn around clean versions?** As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Florida has not had an FMR in over 10 years...think the last was on DSH in 2010 and it was not issued to the state.

Subject: RE: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Thanks Dorothy and Kristin, since the OCD Qs seem to work better outside of SP, we'll go with that. Jay can you confirm on Q1. Anyone else have responses to address the Qs ?

OCD Qs on FL, MO, TX taxes related actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022. Additionally, OIG 2023 has not identified the states they will review but shared with FMG their workplan for 2023 includes a planned review of States' Use of Local Provider Participation Funds as the State Share of Medicaid Payments.**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Also, please review and confirm (thanks Kristin, anyone else?) where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)

Subject: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

- (1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)
- (2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → [OCD Qs on FMG - FL MO TX Taxes Related Actions](#)

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

Hello,

I want to make you aware that the release of the taxes CIB has been moved to Friday 2/17. Rory will connect with the FL SMD regarding the FMR on the following Weds 2/22? Rory is that your understanding?

I will keep everyone posted on any changes.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Thanks Kristin,

Status update: OCD confirmed we are still aiming for 1/23. OCD is awaiting OGC comments (if any) on the CIB. Once the CIB clears Comms, the OCD will send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

In addition due COB today - Here is the reactive that was drafted by OC for the CIB. **Please let me know if you have edits to the reactive statement developed by OC.**

Thanks

Beverly

Thanks Beverly. I defer to others but don't think the edits are helpful for the CIB. It was carefully crafted language. I would not recommend accepting these changes.

Hi Tim,

Happy New Year. I appreciate you taking the time to review and to comment. Thanks for catching the typo and for highlighting where we could be more precise to avoid misinterpretations. We'll update the draft CIB to address the comments/edit. Thanks again.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Looping in Sid and Ricardo on the Florida piece. I don't believe we have sent them anything yet. I will take a look at Kristin's comments.

Subject: RE: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Thanks Dorothy and Kristin, since the OCD Qs seem to work better outside of SP, we'll go with that. Jay can you confirm on Q1. Anyone else have responses to address the Qs ?

OCD Qs on FL, MO, TX taxes related actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm. Yes, we conduct an FMR in 2022 on two of nine the state direct payment preprints.**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report for Texas that began in November 2021 and is expected to be completed sometime in 2023 (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIAABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**

- b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Also, please review and confirm (thanks Kristin, anyone else?) where we accept the proposed changes → CIB Reactive Statement w/OL Comments

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

(1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share

(b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

Subject: RE: OMB PASSBACK DUE COB MON 2/6: Status and Follow Up on Reactive Statement DUE COB TODAY: CIB Health Care Related Taxes and Hold Harmless Arrangements

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

Jonathan

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be to aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Looping in Sid and Ricardo on the Florida piece. I don't believe we have sent them anything yet. I will take a look at Kristin's comments.

Subject: RE: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Thanks Dorothy and Kristin, since the OCD Qs seem to work better outside of SP, we'll go with that. Jay can you confirm on Q1. Anyone else have responses to address the Qs ?

OCD Qs on FL, MO, TX taxes related actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm. Yes, we conduct an FMR in 2022 on two of nine the state direct payment preprints. (draft report is being prepared and has not yet been issued to the state)**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report for Texas that began in November 2021 and is expected to be completed sometime in 2023 (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Also, please review and confirm (thanks Kristin, anyone else?) where we accept the proposed changes → CIB Reactive Statement w/OL Comments

Subject: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

- (1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → CIB Reactive Statement w/OL Comments
- (2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → OCD Qs on FMG - FL MO TX Taxes Related Actions

OCD Qs on FL, MO, TX taxes related actions (please provide responses in SP link above)

1. Have we issued to Florida any other FMRs, on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and**

was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.

3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIAABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Thank you

Beverly

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions. Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share (b)(5)

(b)(5)

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state’s inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

- (4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20):** DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions
- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
 - On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Hello everyone,

The release date for the CIB has moved a couple times as OC is planning for other rollouts. Please see attached, the CIB is now targeted to be **released on Friday 2/10**. It is currently under OS review with comments due on Monday; however, I am checking with Perrie on whether the below schedule will be revised given the new 2/10 release date. I will keep you posted.

- 1/19 – Send to IOS (Rachel) for Review
- 1/23 COB – Rachel sends comments
- 1/25 – FMG revises
- 1/26 9am – Send to EOP (DPC, OMB) for review
- 1/30 12pm – EOP sends comments
- 1/30 – FMG revises
- 1/31 or 2/1 – Launch (depending on comments?)

(b)(5) They say we should (b)(5)

(b)(5) I think we should (b)(5)

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be to aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Hello,

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions?** As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: RE: RE: DUE 2PM TODAY: TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Thanks Celestine very helpful. **Ricard and Jay** on the Florida SDP FMR, can you add the month/date in 2022 when the FMR was conducted.

OCD Qs on FL, MO, TX taxes related actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm. Yes, we conduct an FMR in 2022 on two of nine the state direct payment preprints. (draft report is being prepared and has not yet been issued to the state)**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022. Additionally, OIG 2023 has not identified the states they will review but shared with FMG their workplan for 2023 includes a planned review of States' Use of Local Provider Participation Funds as the State Share of Medicaid Payments.**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**

3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**

If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Thanks Dorothy and Kristin, since the OCD Qs seem to work better outside of SP, we'll go with that. Jay can you confirm on Q1. Anyone else have responses to address the Qs ?

OCD Qs on FL, MO, TX taxes related actions

2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report for Texas that began in November 2021 and is expected to be completed sometime in 2023 (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. Good morning,

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

- (1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → CIB Reactive Statement w/OL Comments
- (2) The OCD (Dan/Perrie) has clarifying questions on FMG FL, MO, TX tax related actions. See below and in the SP link here for collaboration → OCD Qs on FMG - FL MO TX Taxes Related Actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**

3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIAABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**
 - b. If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Thank you

Beverly

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions.

Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share.

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state’s inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

- (4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20):** DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions
- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
 - On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

(b)(5) They are, of course, but that is not the only motivating factor in issuing

(b)(5)
(b)(5) However, I wanted to gauge the temperature of others to see how we wanted to

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be to aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Thanks, Beverly. I think some of the line edits are visible in the CIB, but many by OL are not visible. Is there a version with the line edits visible?

Hello,

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions?** As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks

Thanks Kristin,

Status update: OCD confirmed we are still aiming for 1/23. OCD is awaiting OGC comments (if any) on the CIB. Once the CIB clears Comms, the OCD will send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

In addition due COB today - Here is the reactive that was drafted by OC for the CIB. **Please let me know if you have edits to the reactive statement developed by OC.**

Thanks

Thanks Beverly. I defer to others but don't think the edits are helpful for the CIB. It was carefully crafted language. I would not recommend accepting these changes.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.

Subject: RE: DUE 2PM TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Thanks Ricard. On the Florida SDP FMR, can you add the month/date in 2022 when the FMR was conducted.

OCD Qs on FL, MO, TX taxes related actions

1. Have we issued to Florida any other FMRs , on any other subjects, since January 2021? Or is this their first FMR since that time? **I don't think so, but DFO/DFP can confirm. Yes, we conduct an FMR in 2022 on two of nine the state direct payment preprints. (draft report is being prepared and has not yet been issued to the state)**
2. Did we also start an FMR with TX and MO on this same issue? Or is the OIG looking into TX? **The OIG is doing a report for Texas that began in November 2021 and is expected to be completed sometime in 2023 (I forget timing) Entrance conference with the state was April 14, 2022**
 - a. What is the status of TX and MO – either FMRs or OIGs? When did those start? **For MO – I don't think there has been an FMR on this topic. The last FMR on MO hospital tax was issued 11/25/2007 and was related to what revenues should or should not be included in the hospital tax base. MO we are performing an expanded 12/31/2022 CMS-64 review that will include the FRA tax.**
3. I know the letter to FL is not public. Do final FMR reports, including this one, get posted on Medicaid.gov? **We do not post to Medicaid.gov, but they are FOIAABLE**
4. Confirm the following is accurate:
 - a. CMCS anticipates to issue a draft FMR report to the state by the end of calendar year 2023. The state will then have 30 days to formally respond to the draft report. Afterwards a final report will be issued that will incorporate the state's response to any findings, observations, and recommendations including CMS comments to the state's response. **Correct – though many times states ask for additional time.**

If the state's response to our findings is not sufficient, CMS will consider possible disallowances of FFP. **Correct**

Please see below actions. We did receive OL edits to the CIB reactive (attached and in the SP link) and the OCD has follow-up Qs on taxes actions for FL,MO and TX. I did make the OCD aware generally that FMRs are not posted publicly and reminded them that MO will be a focused CMS-64 review. Please respond by 2pm today.

(1) We received OL edits/comments on the **CIB reactive**. Please confirm where we accept the proposed changes → [CIB Reactive Statement w/OL Comments](#)

Subject: DUE COB TODAY: :TAXES HOLD HARMLESS CIB ROLLOUT ACTIONS

Hello team,

Hopefully this will be quick and I can hear back by COB today.

(1) First We are gearing up to rollout the Taxes CIB on Friday and need to make sure we're aligned on actions. Please let me know if there are any final ***tweaks*** to the final CIB here → [Final Taxes CIB](#)

(2) Please review the FMR Reactive Statement and let me know if there are edits:

On Wednesday, February 22, the Florida Deputy Secretary for Medicaid Tom Wallace will receive a letter notifying the state of the engagement by CMCS of a Financial Management Review (FMR) of Florida's managed care state directed payments (SDPs) funded by its health-related tax. The state was previously made aware of this coming FMR in a companion letter issued as part of the SDP approval in September 2022. The FMR will review the state's operation of and supervision over its Local Provider Participation Fund (LPPF) health care-related tax program as a source of Florida's non-federal share. CMCS is aware of other states have similar hospital tax arrangements. The states appear to have pre-arranged agreements to redirect Medicaid payments away from Medicaid providers serving a high percentage of Medicaid beneficiaries to hospitals that either do not participate in Medicaid or serve a low percentage of beneficiaries. This payment redirection appears to violate federal requirements. Florida's LPPF tax structure and media reports indicate that the Florida LPPF arrangement may be similar to the other state arrangements. To date, Florida's Agency

for Health Care Administration (AHCA) has been unable (or unwilling) to provide assurance that there is not an arrangement to redistribute Medicaid state directed payments.

(3) ROLL-OUT – The CIB will be released on Friday by 3pm, **Rory** please confirm what time you will be contacting the FL and MO SMDs

- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact Florida SMD regarding engaging on a Financial Management Review (FMR)** of Florida's managed care state directed payments (SDPs) funded by their health related tax. We did make the state aware in a companion letter issued as part of SDP approval in 2022.
- Friday 2/17 – **Rory Action: prior to Taxes CIB being released, FMG will contact the Missouri SMD regarding a focused CMS-64** review of the state's inpatient/outpatient Federal Reimbursement Allowance (FRA) hospital tax and will review expenditures for quarter ended 12/31/2022 .
- Friday 2/17 - **CIB RELEASED @3pm**

(4) State Follow-Up Actions Post Issuance of the Taxes CIB (Week of 2/20): DFOs/Jay please note the Weds 2/22 date to release the FMR engagement letter and MO questions

- On Weds 2/22 FMG CMS will issue the FL FMR engagement letter to the state
- On Weds 2/22 FMG will issue a question-set to the state in advance of the focused CMS-64 review regarding any pooling/redistribution of funds issues.

Please respond by COB today with any minor tweaks to the final SMD and Reactive Statement. Rory, please let me know what time you plan to make calls on Friday.

Hello,

I want to make you aware that the release of the taxes CIB has been moved to Friday 2/17. Rory will connect with the FL SMD regarding the FMR on the following Weds 2/22? Rory is that your understanding?

I will keep everyone posted on any changes.

I was wondering about that one as well. I don't think it would be appropriate to add a managed care pre-print reference here. But there might be something in section 438 of the regs.

Thanks Johnathan. The citations are around documentation collection correct? It appears OL is flagging whether there is a citation around 438.6 (c) managed care pre-print collection. Can someone share the draft CIB with John Giles and Laura Snyder in DEHPG to confirm? If we can hear back by COB Mon that would help to keep us on track with the 2/10 release date.

Thank you!

Beverly,

Most of the edits should be easy and we can do today. The only one I don't know about is the request for a reference to the "managed care" regulations as it relates to the authority of CMS to request documentation as I am not as familiar with the managed care regs. We can do everything else quickly.

Best,

Hello, I am adding a SP link (below) for the reactive statement with OL comments/edits (attached) to be to aligned with the updated CIB and Q/As. Will these changes impact the OA briefing paper? We normally wait until we have clearance comments before going to OA, but I understand we are on a somewhat tight timeline.

OC reconciled the comments. I did move the reconciled version of the CIB and Q/As to SharePoint (below). Please see attached with separate line edits/comments for full disclosure from OL and OGC. Please make edits in the reconciled version.

Hello,

Please see attached with OL and OGC comments. Can you take a look and let me know **when you'll be able to turn around clean versions**? As a reminder, next step is R2 CMS and the OCD will concurrently send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

Thanks

Beverly

Thanks Kristin,

Status update: OCD confirmed we are still aiming for 1/23. OCD is awaiting OGC comments (if any) on the CIB. Once the CIB clears Comms, the OCD will send it directly to Rachel in IOS, Sara Sills in OMB (Rory I did mention to Perrie that we shared and advanced copy with OMB), and Jessica Schubel in DPC to review.

In addition due COB today - Here is the reactive that was drafted by OC for the CIB. **Please let me know if you have edits to the reactive statement developed by OC.**

Thanks

Thanks Beverly. I defer to others but don't think the edits are helpful for the CIB. It was carefully crafted language. I would not recommend accepting these changes.

Hi Tim,

Happy New Year. I appreciate you taking the time to review and to comment. Thanks for catching the typo and for highlighting where we could be more precise to avoid misinterpretations. We'll update the draft CIB to address the comments/edit. Thanks again.

Rory –

I understand the CIB was FYI-only, but I feel compelled to share with you a few things in the attached. I was only reading it to try to learn the policy, but there is a place in the CIB where a reader could easily take away the wrong message. And a typo.
