Good morning Iris,

Brenda Vallee has always been the contact for issues directly affecting Colfax OB/OD.

Others involved with Colfax have been:

General Honore' - Ex. 6 Personal Privacy (PP)  
Wilma Subra - Ex. 6 Personal Privacy (PP)  
Marylee Orr - [marylee@leanweb.org](mailto:marylee@leanweb.org)

There is a greater list of individuals in LA that we keep updated on activities in the state that may be of interest to them. Some of the individuals on that list are:

Naomi Yoder - [naomi@healthygulf.org](mailto:naomi@healthygulf.org)  
Kristi L. Trail - [kristi@saveourlake.org](mailto:kristi@saveourlake.org)  
Kimberly Terrell - [kterrell1@tulane.edu](mailto:kterrell1@tulane.edu)  
Anne Rolfes - [anne@labucketbrigade.org](mailto:anne@labucketbrigade.org)  
Stephanie Anthony - **Ex. 6 Personal Privacy (PP)**  
Linda Stone - [lstone@globalgreen.org](mailto:lstone@globalgreen.org)  
Dr. Beverly Wright - [beverlyw@dscej.org](mailto:beverlyw@dscej.org)  
Fontenot William - **Ex. 6 Personal Privacy (PP)**  
Pastor Gregory Manning - **Ex. 6 Personal Privacy (PP)**

Additionally, once you send the information that you want to everyone, if you send it to me, I can send it to the entire LA listserv along with the other states if appropriate.

Good morning, Gloria

Do you have an existing list of contacts for Colfax or can you please create one? We'd like to send this out today or tomorrow. Please share with me so I can add names to it.

Thanks!

Team,

Now that the OB/OD guidance is final and has been distributed, I want us to send it to all of the community groups, non-profits, and individuals we have been working with (Wilma Subra, General Honore, local groups, national groups, veterans, etc.). It will be a nice gesture to deliver it, and it shows the New EPA at work. The guidance document now requires public health in the permit. I congratulated the lead author, Carolyn, and she sent me a note saying it was a great feeling for her to take this important step. This is a win-win.

Do we have a mailing list?
